“I love getting flirty and adventurous with my guy,” Rogue told us. “I love being a girl because I can work a guy up so much just by winking a certain way or stroking his thigh just a bit too high. I get off on that power. I especially love when I can see his cock start to get hard through his pants. That’s how a girl knows that she’s doing a good job.”

"I'll tease guys,
but I also know how
to get them off."

“When my boyfriend came home with his new camera and told me that we didn’t have any good photos of us as a couple, I knew that he wasn’t thinking about family portraits. It wasn’t long before my clothes started to come off and I was butt-naked in the bedroom. We’ve done photos before and I love posing.”

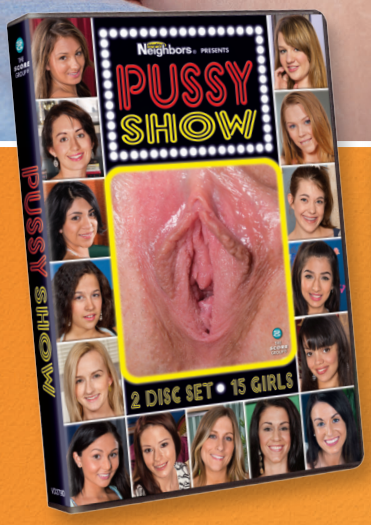
YEAR-END DVD REVIEW



The major complaint heard about porn is that dicks are always getting in the way of the beautiful women. Pussy Show doesn't have that problem. It features 15 of the juiciest, tightest and pinkest slits ever shot, and it does it all without a dick in sight. These gorgeous women all bring themselves to earth-shattering orgasms the way only they know how. It's over three and a half hours of muff-buffing goodness.

There's one thing you can count on in this world: MILFs love cum. This DVD features six salacious jizzaholics doing whatever they can to milk the juice right out of young cock and onto their faces. Brittney Snow, 48, takes a big black cock in hot interracial action. And Karyn Martin, 44, gets fucked silly in her first on-camera shoot. Along with Dee Delmar, 48, Lilly, 48, Betty Blaze, 43, and Stormy Lynn, 45, these six horny MILFs are all Gravy Lovers.

YEAR-END DVD REVIEW

These amateur honies are not hardened porn stars. They're regular girls-next-door types from all over; video-virgins who sex it up with studs with real passion and enthusiasm. There's very little set-up for each scene so the cock sucking, wild fucking and cumming is almost non-stop for six fuckin' hours! Plus, there are hours of handjob action on the bonus disc from NaughtyTugs.com to keep you going. It's full of cock stroking and licking that will make your dick fuckin' blow. If you're a guy who loves his amateurs fresh and horny, this is for you.

SANDRA MARTINES AGE 56
VAL KAMBEL AGE 53

Raven Flight, 57, gives up her tight asshole in the fifth installment of this best-selling franchise. Sally D'Angelo, 58, Sandra Martines, 56, Magdalene St. Michaels, 54, Val Kambel, 53 and Scarlet Andrews, 65, all get sloppy creampies which they squeeze out of their pink, gaping fuckholes. Raven gets her load in her butthole. Then they use their fingers to lick it and smear it all over their asses and crotches. They're not satisfied till they're oozing with man seed.

YEAR-END DVD REVIEW

Listen, we all love schoolgirls. What we love more is naughty schoolgirls with a thirst for cum. These six dirty babes take their quest for hardcore fucking one step further. Abby Paradise and Gina Gerson both take hard cocks up their asses after school. But hold on, the anal might play second fiddle when you see the smokin' hot three-way scene with Ava and Heather. It's got blackmail, seduction, pussy licking and, of course, schoolgirls!

This best-selling DVD franchise offers exactly what it promises: big-tittied bimbos taking big, hard cocks up their tight backdoors. There are 26 impressively stacked girls backin' it up on four DVDs for over 10 hours of butt-stuffin' goodness. Goldie Ray and Sabrina Linn get ass-fucked on-camera for the first time, plus SCORE exclusive models Christy Marks, Stephanie Stalls, Denise Derringer and many more. This is the must-have four-disc set for any serious fan of T&A.

YEAR-END DVD REVIEW

In contrast to the previous DVD, this is the go-to flick for die-hard fans of washboard-chested teens. If you like your girls skinny, flat and horny, then this is for you, friend. The six young cuties in this DVD all have tight pussies and buttholes that open up for cock when their little nips are tweaked just right. Lolly has puffy nips and meaty lips. Heather is the best cock-sucker ever. Alaina and Kaci are fresh-faced brunettes who can barely fill an A-cup bra. Redhead Sadie and blondie Lila both get their little, taut buttholes filled!

Imagine the young, dripping wet teen of your wildest wet dreams is crawling towards you on all fours, begging for you to unleash your monster load on her lips, tongue, cheeks and eyes. She'll do anything to taste your sweet, gooey man-cream. Well, now you don't have to imagine. This DVD contains six of the most youthful and horny sluts we've ever shot. They aren't fucking around when it comes to their love of cum. Turn it on and coat their fresh, smiling faces. They want you to.

Panties: Thongs Anal: Go slow! BJs: Swallow
Los Angeles, California Theater major

“Every guy I’ve ever been with cums in a matter of minutes,” Goldy told us. “That’s not a problem just as long as he can get hard again. I love feeling a guy cum, so it’s more of a turn-on for me than anything. But if he can’t go for round two, he’s out of there! After all, the most important and fun part of having sex is the mind-blowing orgasm. And with my tight pussy, it’s probably more intense for me than most girls.”

“I’ve always been really, really tight down there. Back in high school, my girlfriends and I would talk all the time about sex. I was super jealous about how they all had really hung boyfriends and they felt like they wanted more. I’ve never felt that way. My boyfriends at that time were maybe five or six inches long and that was plenty for me! I felt like I was getting split in two a couple of times, but in a good way. Then when I finally found a guy with a big cock, I had to work up to it. I’m glad I did, though. I got the most intense cums.”

"If you lick
my clit
enough, I'll
do anything
for you."

THE FUCKIN' INTERNET

How the Web helps you get famous, rich and laid.

MAKING AN INTERNET CELEBRITY

You might not have heard of Tiff Bannister, but odds are that you will someday soon. She's an Internet phenom–a girl whose immense popularity began with a few funny pictures posted to Facebook. People noticed her quirky personality and fondness for revealing photos. She was featured on the hit TV show Tosh.O on Comedy Central. She publicly debated doing porn, which garnered a lot of responses from her 90,000 followers. Finally deciding to capitalize on her fanbase by launching a career in adult modeling, she quickly noticed huge results. "I've always loved my fans, and they've helped me throughout this process. Their response was incredible. I started out making silly posts and putting up pictures of myself doing sexy poses, but not getting completely nude. I even traded pictures with hot guys and helped them get followers, too. Well, when I finally jumped into doing porn, everybody wanted to see me! They flooded NaughtyMag.com and made their accountant think that they were being hacked because of all the new traffic it brought! I'm really winning at this!"

EQUAL OPPORTUNITY JERKING

According to a new poll by British lingerie and sex toy manufacturer Ann Summers, a surprising 93% of women don't consider watching Internet porn to be cheating. That seems like a far cry from a decade ago, when a snooping spouse uncovering a hidden stash of skin mags might have kicked off World War III. What's more, over 85% of women described their porn viewing as a fantasy escape, something that allowed them to act out certain sexy or dangerous sexual situations in their minds before committing to do them in real life. That translates to more and better sex for you, friend! Although you might want to look for a younger lady because the majority of women with this open mind towards nudie pics are in the 18-24 range. That means that your young secretary, the college student down the block or even that coffee shop barista, probably rubbed her clitty to a little satisfaction early this morning. It kind of lets you see them in a new light, doesn't it?

GO GET SOME

You can use the Net for pretty much everything these days. But there are more important things than tax returns and car shopping, namely getting laid. Some estimates now rank female consumption of porn to be around one-third to half, which leads many people to believe that attitudes towards what is appropriate and inappropriate are shifting. Just take our Equal Opportunity Jerking piece to the left. But what does that mean for you? We're giving you the best apps for getting laid, telling you the odds of getting some strange tail and giving you a sneak peek at an Internet celebrity who used her popularity to achieve success in the high-paying and oh-so-fun world of porn. We've also been in contact with some of our favorite amateur girls from yesteryear, asking them to dish on their personal porn-viewing habits.

We're beginning by talking to Tiff Bannister, a girl whose sexuality has been equally celebrated and criticized. She told us, "Most people my age don't have a problem with porn. We grew up with access to it from the time we were young. I tend to date a lot of older guys and they have this thing with hiding their stash from me. Like, they'll have a bunch of magazines or files on their com-

"People tell me that I have this thing called 'resting bitch face,' and I kind of agree with them," Kathy told us. "But I'm really not a mean person. I love going out and having fun with friends, and a lot of times I'll leave bars or clubs with guys who I don't know and fuck them. Every time I have a one night stand I make sure to have my orgasm first, so then I can focus on giving the guy the best possible time. I like the idea of him going home and telling his buddies that he fucked a girl in the ass and she finished him off with her mouth. I like being a mythical dream-slut."

"My craziest fuck was in the back of a pick-up truck while driving down the freeway at…like…90 miles per hour. It was with this guy I knew from school but had never talked to. We went to a party together and his friends decided that we should all go to the lake for skinny-dip-ping. I tagged along and we ended up fucking on the ride!"

Divorce does funny things to women. Tyra, for instance, was never all that horny with her ex-husband. That might have been because he was a limp-dicked, cheating mother fucker, but who are we to say? All we know is that Tyra is a horny cougar on the prowl for hot lays and hotter cum, and that we're very happy about it.

“I’ve been experimenting lately with vaginal exercises. It’s like a tantric thing,” May explained to us. “I can tighten and relax my pussy at will now, hundreds of times a day. I even have these little stainless steel balls that I keep inside my pussy all day. I can move them around just by flexing. It feels amazing. I’ll have dozens of tiny, little orgasms throughout my afternoons. I started doing it because I love getting filled with four fingers and didn’t want to become loose.”

Kimora

“I’m attending school for certification as an English teacher,” Kimora told us. “I already speak English, but I’m learning Chinese. My ultimate goal is to travel to China and teach over there. I’d love to be able to explore Asia because it’s part of my heritage. Plus, I’m bisexual and I think that Asian women are fucking sexy. I’d love to have a fuck-buddy there.”

“The best sex I’ve ever had was with a Japanese girl and a black guy. It was fuckin’ intense. His cock was huge and he had crazy stamina. At one point he was fucking me missionary and the girl was sitting on my face and rubbing my clit. If only I had a guy or a buttplug in my ass–that’s my idea of a perfect fuck. It was still pretty damn good.”

Svetlana

Age: 21 Born: Feb. 16 Ht: 5'2" Wt: 125 Lbs. Bras: 34D

Providence, Rhode Island Store clerk

“You can never tell a book by its cover,” Svetlana informed us. “And you can never tell which chick is a prude and which one is a slut just by looking, either. Some of my friends look like buttoned down, high-strung nuns or librarians or something. Then they let loose and have threesomes and are into face-fucking and shit. I’m kind of that way, too. You’d probably never guess that I had a boobjob when I was 18 because I always wear big, cozy sweaters. But I’m an adventurous gal when you get me between the sheets!”

“I’ve always been into sex toys. Ever since I was just discovering my body, I’ve been looking for interesting ways to get off. I remember when I got my first apartment and found out that when you sit on the washing machine you could orgasm. I had the cleanest clothes on campus! I just bought my first buttplug, too. That thing is fucking amazing. I can’t cum just from putting things in my ass, but when it’s combined with some pussy play, I go bananas. There’s nothing better than one of those pussy-soaking, sheet-drenching squirting orgasms while my ass is plugged and stretched wide. It takes a while to get over one of those!”

"I'd love to

“I’m not really dating much right now,” Cheyenne related to us via email. “Which means I have a lot of time to myself and I have to get myself off. I was using my vibrator for the longest time, but I ran out of batteries and haven’t gotten more. I kind of rediscovered how good my fingers can feel. The vibrations are intense, but fingering myself is so much better.”

“When I’m rubbing my clit and sliding my pointer finger into my cunt, I’m able to feel my warmth and my wetness. I’ve never been with another girl, so I don’t know how that really feels, but I imagine if my own sticky pussy turns me on so well, that another girl’s would drive me absolutely crazy. That’s why most of the times that I’m cumming, I’m imagining that I’m in the 69 position with a sexy babe. Sometimes she’s a tall blonde, other times a short brunette. She always has a sweet-tasting slit, though.”

“I don’t want anal, but a little licking is just fine with me!”

WINTER 2015

PORNIFICATION OF THE Bedroom

People emulate what they see, and porn viewing is at an all-time high. It's no wonder that what was once taboo are now the go-to moves.

Flashing

Foreplay doesn't have to be make-out sessions and heavy petting. People everywhere have started taking their adventurous sides outdoors for a little show-and-tell. It's risky business, but the rewards of watching your lady's tits pop out on a nature walk, or seeing her hike up her skirt in an abandoned grocery store aisle, is enough to make any man start feeling like a porn-stud.

Homemade Porn

Well, this one was a no-brainer! While technology has always had its place in the bedroom (vibrators anyone?), nothing has added as much excitement as the digital camera. There are no more photo developers, no more VCR tapes and no more shame in homemade porn. Because it's private and easy, your girl will feel free to act out her wildest moves, and possibly try out some new stuff, too!

Facials

Long held as an unrealistic way to finish fucking, the facial was once something only a seasoned porn stud could hope to ever do. But luckily times are changing, and more and more women are allowing themselves to act a little sluttier in the bedroom. And with the majority of fuck flicks out there ending with facials, all you have to do is cue up your favorite porn with your lady and gauge her reaction. Because we all know that a woman looks her best with a face full of some sticky, hot jizz.

Positions

Nobody has to settle for Friday night missionary ever again thanks to the tireless pornstars of yesteryear. Their flexible fucking paved the way for every Dick and Jane on the block to have a few more positions in their repertoire. Doggie-style? Check. Reverse cowgirl? check. The leapfrog? Why not? By watching porn with your lady, you can pick and choose which positions seem fun (or physically possible!) and reenact them together later. Watch your back!

Swinging with friends

Okay, if giving your girl a facial seems like the porn move of your dreams, then swinging is the holy grail of pornifying your bedroom. Women today are allowed to comment on each other's boobs, asses and pussy hair styles. They feel comfortable taking showers together and even fooling around if they're too tipsy. The first step is having your girls kiss. It can be a joke at first. Once they're warmed up, they'll realize it's the opportunity of a lifetime. After all, women can be just as kinky as men.

Ever imagine what
your buddy's girl could
do with your cock?

"I only watch anal porn
when I masturbate."
–Lila Rose

Anal Sex

Who among us hasn't jerked off while watching a woman taking a huge cock up her tight asshole? Here's a surprise, your woman has probably watched it, too. Most women are curious about the process, but are scared by the idea of a porn cock hammering away at their butts. The thing we hear from girls all the time is, if you go slowly, play with the clit and work your way up to pound-town, she's going to be your private butt-slut.

THE HOOKUPS IN YOUR POCKET

You can call and surf the web on that computer in your pocket, but did you know that it also acts as a direct line to horny women looking for a quick, no-strings-attached fuck? There are certain apps that cater more towards the casual relationship and there are apps designed to get you into some pussy as quickly as possible. Here are our staff favorites:

1) Tinder claims to have over one hundred million users, so you know your odds of getting tail are pretty high. Plus, it's easy to use. Pictures of possible lays appear on screen and all you have to do is swipe one direction if you want to fuck, the other if you think they're not up to snuff.

2) Down is an app formerly named Bang With Friends. Although the name has changed, the goal is still the same. It's no-nonsense flirting with a purpose. Everyone using this app wants to fuck, not date.

3) Pure might be the most effective app on the market for hookups. It has a similar style to the previous two, but Pure has the added benefit of penalizing people who don't follow through on their sexual promises. If your potential lady agrees to meet but doesn't show, she's booted off the app!

SEXTING AND THE CITY

Have you ever been caught up in the moment with a woman on the phone, her messages are becoming more and more sexually charged, and you can't help but wonder what to put down that won't make you seem like a fool? Well, we've got you covered. Here are a few brief pointers to help you out with your sexting.

1) Start out small. Complimenting her on her eyes or hair is a much better idea than asking for tit pics immediately. Once she thanks you, you can continue to flatter her in more and more provocative ways. Eventually you'll get to the good stuff. Take your time and it'll pay off.

2) If you're expecting some nudes from this girl, then you're going to have to supply some of your own. Don't jump the gun and start rattling off dick pics to everyone in your phonebook, though. Make her wait for it, and make sure you've had several boob pics first. After all, her entire body can give you a boner, but you've only got one piece of equipment.

3) When it comes time to send that cock shot, make sure to take care of yourself. Never send a flaccid shot. Seriously. You should also make sure that you're trimmed and clean down there. Take your time. Also, sharing is not caring. If you don't want your pics going public, don't let hers.

puters that they don't want me to see. I'm like, 'I don't care! I want to watch it with you!' I watch porn every time I masturbate. I know girls who will watch really dirty porn and play with themselves before a big date. They think it helps them think more like a guy, you know, all sexually charged and stuff. I don't know if it works, but they do seem pretty popular on dates!"

If that move sounds familiar, it's probably because guys have been jerking off before big dates for millenia. But pre-gaming dates with a little self service isn't the only thing women have adopted from us guys, the more outwardly sexual gender. According to a poll by the UK's Telegraph, women's changing attitudes have resulted in them opening up more and seeking to find more sexual partners, and not all of them have to be in long-term relationships. In fact, as their average amount of sexual partners has doubled in the last 20 years, their tastes in how they find suitable partners has shifted as well. We called up Sarah, who got fucked in *Naughty Neighbors* Apr. '11 issue and came back to masturbate in the Jul. '13 issue. We wanted to know if she uses her scenes to make guys jealous or horny. "I absolutely show off my pictures to prospective guys. I don't show guys I want to date, but I definitely show my hardcore stuff to guys I hookup with on the Internet. I'll show them how a good fuck feels and how I want them to per-

Tandra

Age: 19 Born: March 25 Ht: 5'3" Wt: 124 Lbs. Bras: 34C
Panties: Cotton Anal: Just starting BJs: I love giving!
Greensburg, Pennsylvania Student

“We just got back from a sweet vacation,” Tandra told us. “That’s why I have these awful tan lines. Although, interestingly, I’ve noticed that a lot of guys really like them. I wore a tube top out to a restaurant the other day and all the guys were staring at my shoulders. I can tell when a guy is looking at my tits, but these dudes were all checking out my lines! It was bizarre. I guess next time we go to the beach I’ll have to go fully nude. I heard there are places out on the coast that’ll let you fool around in the water if you want. It’s always been a dream of mine to fuck in the ocean, so I think I’d definitely try it out. I mean, it couldn’t hurt, right?”

"I always try to keep my pussy as smooth as I can."

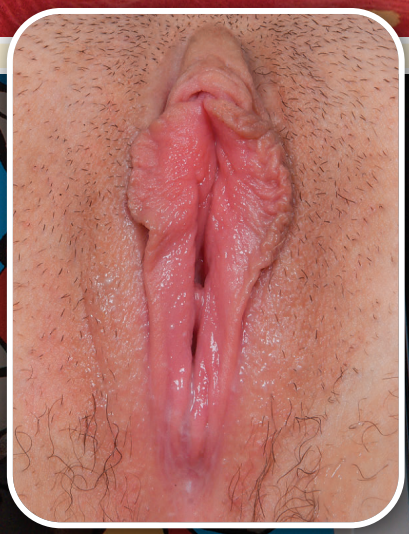
"I obviously love showing off, that's why you're seeing these pictures! I've always been a little bit of a nudist. Ever since I can remember I've been walking around naked, inside or out. I suppose it was logical that I took the next step and it became sexual. I used to masturbate in front of my high school boyfriend all the time before we had sex. I loved feeling his stare on me as I began to cum. I'd let him jerk off onto my tits while I was doing it. It was super hot."

"Nothing sets me off like a finger in the ass."

Selena

Age: 20 Born: Oct. 10 Ht: 5'4" Wt: 113 Lbs. Bras: 34B
Panties: None! Anal: Yes, please! BJs: Swallow
Costa Mesa, California Student

“You could definitely call me a wild child,” Selena explained to us. “When I’m in class, I’m very studious and serious. When I’m out and about on campus, you’d better watch out. My friends call me Hurricane Selena. They say I leave a trail of broken hearts and cock destruction in my wake. I love that. See, I really get off on the idea that I might be the best lay that a guy has ever had. You want to lick me until I squirt? Okay. You want to use my asshole and cum inside me? Done deal. I want to be that girl who you’ll never, ever forget.”



“Anal is a funny thing. Guys will pester you forever until you give it to them. Then, once they have it, they’ll either enjoy it and ask again only once in a while, or they’ll never want your pussy again. That shit sucks. I love a good butt fucking, but my pussy needs attention!”

Riley

Age: 23 Born: Jan. 26 Ht: 4'11" Wt: 99 Lbs. Bras: 34B
Panties: G-strings Anal: Finger me BJs: Swallow
Philadelphia, Pennsylvania Dancer

"Call me whatever you like, but I'm not going to apologize for living the way I want to," Riley explained to us. We simply asked what she does for a living. "I've done pretty much everything. I used to work as a bartender and a waitress, I was a receptionist for a while, but that didn't last long. I fucked a guy in the waiting room. Now I'm a dancer and I love the hell out of it. I get so much satisfaction in knowing that guys are literally cumming in their pants when I'm up on that stage and moving."

“There are certain things you need to know about dancing. For instance, some girls don’t know how to work the pole so they resort to other tricks. One girl I know wears a big, metal buttplug for the entire time she’s doing a show. Sometimes she clips on a fake raccoon or fox tail. Guys go wild over that! I just stick to the conventional stuff. You know, stuff like shoving my tits in a guy’s face, or dropping down onto his lap and rocking on top of his boner, trying to make him cum. Sometimes when I’m feeling extra naughty, I’ll slide a finger into my pussy or my ass, and that always makes the crowd go wild. I love having that power.”

"You've never had a good fuck until you've had me."

Hairy Honey

Elizabeth

Elizabeth is a gorgeous 31-year-old woman from Dorset, England. She stands 5'6" tall and weighs 123 pounds. She's currently a graduate student in business. That straitlaced world doesn't really jive with showing your fuzzy twat in a nudie mag, but she couldn't care any less about all that. "I've got more important things on my mind than worrying about what some stuck-up professors or future colleagues might think about my twat. Besides, I'm a woman with a full crotch of pubes. That's already a little against the grain, right? I mean, I'm the only one of my friends with pubes. It's so unique now."

“Just because I have these pubes now doesn’t mean I won’t shave them off,” warned Elizabeth. “I’ve done it before, but I always let them grow back. One thing I’ll never do is shave for a bloke. If he won’t shag me or, even worse, not go down on me because I have a hairy twat, then he’s a wanker and can fuck right off! This hair is my personal choice. I’d love finding a guy who liked it as much as I do. It’s really hard.”

Bryce

Age: 20 Born: Dec 16 Ht: 5'9" Wt: 130 Lbs. Bras: 34B
Panties: I try not to Anal: Sometimes BJs: Spit mostly

Cheyenne, Wyoming Nurse

"I've always been a cowgirl," Bryce told us. "I mean, what the hell else are you going to be when you're born in Montana and move to Wyoming? I spend a lot of time outdoors, hiking and fishing and stuff. We'll ride our horses out to the lakes or the quarry or out to the middle of nowhere and we'll camp for a while. That's where I lost my virginity, actually. It was to my friend's older brother during one of our camp outs. It was incredible. He was on top of me and we fucked underneath the stars. I didn't cum then, but it felt absolutely amazing."

“My wildest fuck experience would have to be when I got busy in a Jacuzzi. It was with a much-older guy. He was a cop. And my best friend was there and joined in. That was absolutely crazy! At one point in the night I had him all the way down my throat, pinching my nipples and my friend was sucking on my clit so hard I thought it might come off! I think I had four or five orgasms that night. That was also the first time I licked my friend’s pussy. I had other girls before, but never my best friend. She tasted really, really good. I’ve gone down on her a bunch since then.”

“I keep fit
and I like
my men to,
as well. You
need to be
able to
fuck for
hours.”

“My perfect day would begin with soft sex leading to an intense orgasm. Then a hot bubble bath would feel nice. Maybe we could go to the rodeo or a truck rally or something. Then, once we’re back home, we could lay in bed and screw each other’s brains out all night. I’d love for a guy to pour champagne all over my body and lick it off.”

Now, every man can know the power of having a huge cock!

INCREASE YOUR PENIS SIZE

TESTIMONIALS

"The results are **magnificent in the bedroom.** Wifey now complains if I do not use KY or Astroglide."

"**The gains seem to be permanent.** I can quit working out for weeks and still **have a fat chubby.**"

"I have to say I have only used this for a week or so and I have been **bigger and thicker** after using the **bathmate** a few hours before sex."

"**My girlfriend** is just blown away **by the new me.** I can't keep her off **my big dick!**"

HOW IT WORKS

- This is not a penis pump. This is not a sex toy. The Bathmate uses hydraulic pressure to expand the blood vessels and tissue in the penis. With a thorough regimen of daily use, results gained will continue to develop.
- Water creates a far more powerful vacuum than air, which in turn leads to greater power to increase penis size and to exercise the penis. Warm water develops blood flow while cushioning and lubricating the penis as it expands to fill the tube.
- Temporary gains in length, girth, erectile strength and stamina will occur after first use. These results may range from 0.25" to 1.00" in girth. Length will vary with participant, but all gains improve with time.

form. Most of them get off on it. They feel like they're fucking a celebrity or something, and I get pleased the way I want." We then asked Sarah where she finds these porn-lovin' horn-dogs. "I find them online. I used to use the casual encounters page on Craigslist, but that's full of scammers and bots now. Besides, there are so many other places to find quickies. My only complaint with those apps that are out there is that guys can be flakes. They just want a nude picture to jerk off to and then, all of a sudden, they dont want to come over anymore. It's bogus. I just send those guys my link to NaughtyMag.com so they can go and fuck themselves, because I'm sure as hell not going to. I'd say I've probably hooked up with a dozen or so guys, and I've got a few on the line. It's so much easier than going out to a bar or a club or somewhere you can't even hear the person standing next to you. It's how people get laid nowadays. They use dating sites for love and fucking apps for their sexual needs. It's cleaner that way."

just as turned on by casual fucking as guys nowadays, but that doesn't mean that all women are like that. Some women still want to find Prince Charming. That's okay, we're sure he's out there somewhere, sticking his dick in one princess for the rest of his life. The *NewCummers* staff doesn't have anything against those blokes, but we do have to point out that there are plenty of options. We've listed the apps above because we've tried them. They work. We've called up our favorite girls because they're a good test of the single, horny girls out there in the world. And we've given you sexting tips

because we've fucked up royally before and want to spare you the embarrassment.

We're going to leave you with this one thought from the ever-gorgeous Kate Anne, the Bush Baby from England who starred in our DVD Bush Babies. "I loved having my pictures printed in your magazines because it's just so smutty and I felt like one of those pinup models military blokes have posted above their bunks. It was purely sexual and erotic. I only touch myself to DVDs and mags. I use the Net for dating, hooking up and finding friends, though. It works. I show up and I get fucked. It's simple."
